Christmas Orders

We shall have a good range of pork, sausages and bacon for Christmas, but we would advise that if there is anything specific you would like, it is certainly best to place an order with us. The last date for orders for Christmas is Tuesday 12 December.

Christmas Specialities

Perhaps we can tempt you with some traditional Christmas goodies, freshly prepared for you by our butcher using our delicious pork. How about some dry cured streaky bacon to place over your Christmas turkey? Or some Best Lincolnshire chipolatas or sausagemeat to make your own delicious stuffing? Or for something extra special, try our fantastic PORT and STILTON sausages.

Improved Range of Vegetables

Recent visitors to our shop will already know that, for the rest of the winter, we are supplementing our range of vegetables grown on the farm with some high quality produce from a local organic farm. Please see over page for full list of vegetables. As Christmas approaches we shall have brussels sprouts and swedes as well as parsnips freshly dug here on the farm.

Eggs!

Our customers are proving to be a very patient group of people waiting for our new hens to start laying eggs! We are pleased to report that they have begun to lay their first eggs in the early days of December so, if can bear with us a little bit longer, there should soon be enough eggs for everybody.....once again, thank you for your patience!
