Fresh Pork on Friday 23rd & Saturday 24th February!

After quite a gap with no fresh pork to offer you, we are pleased to say that our chiller will be full of delicious pork joints, chops, loin steaks, diced pork, sausages and chipolatas on the weekend of Friday 23rd February.

If you have paid a visit to our shop recently, you will probably already know that, due the unsatisfactory level of service provided to us by the butcher, we have been forced to stop using them. We are, however, pleased to announce that, through one of our many extremely supportive customers, we have discovered a much more local butcher at Ancaster who will be doing the butchery for us. In the longer term, we really would like to set up our own on-farm butchery and we are busy looking in to this at the moment.

Are you interested in signing up for an organic box in 2007?

Thank you to everyone who has registered their interest in our Organic Box Scheme.

It's still not too late to register your interest in having a box of fresh, seasonal, delicious organic produce delivered to your door each week. To register, please fill in the attached form and return to us by the end of March.

News from the Vegetable Patch

It's that time of year again, when Mark gets very excited about what goodies he's going to grow in the vegetable garden. We will be growing twice the area of vegetables, starting a new asparagus bed and by forming new links to other local organic growers we should be able to supply an increased range of specialist salad vegetables.
